Rec. n. 1201 dated 05.03.2026

University of Padova – Department of Molecular Medicine

**Selection announcement for the awarding of no. 01 post graduate research fellowship entitled
“Oncolytic HSV-1–Mediated Therapeutic Effects in Humanized Glioblastoma Mouse Models”**

Candidates shall also refer to the forms and documentation related to the selection announcement available at the links hereunder:

<https://www.medicinamolecolare.unipd.it/> under the section “Bandi”

<https://www.unipd.it/borse-di-ricerca>

Having regard to par. 4 of Art. 80 of the University's “Regolamento di Ateneo per l'amministrazione, la finanza e la contabilità” (Regulations Governing Administration, Finance, and Accounting) and “Regolamento delle borse per lo svolgimento di attività di ricerca”, (Regulations Governing Research Fellowships) a selection announcement for qualifications and interview has been published for the awarding of **no. 01 post graduate research fellowship** at the Department of Molecular Medicine (DMM), under the supervision of the Research Project Supervisor, **Prof. Arianna Calistri**.

The research fellowship shall last for **3 months**.

The research fellowship shall be for a **gross total amount of € 4.500,00** (the tax and social security treatment of research fellowships is subject to the specific legal regulations in force at the time of the payment) and it is financed in the framework of the research project “Systemic treatment of glioblastoma with herpes simplex virus type 1-based oncolytic agents in advanced human in vitro and murine in vivo models”, funded by Fondazione Giovanni Celegghin Onlus (codice CUP: C93C25001360007), of which Prof. Arianna Calistri is responsible, and it will be paid in deferred monthly instalments.

The Research Fellowship Holder must carry out the following research activity: The fellow will develop oncolytic HSV-1 expressing different immunomodulatory factors, such as human IL-12 and sPD-1, using BAC- based mutagenesis. The viruses will then be reconstituted and tested in vitro

Via A. Gabelli 63 - 35121 Padova

on patient-derived glioblastoma cell spheroids before being inoculated into humanized mice.

Admission requirements

Mater's degree in Health Biology, Molecular Biology, or Single-cycle degree in Medicine and Surgery.

(The eligibility of qualifications awarded abroad will be verified by the Selection Committee)

Required skills:

- English knowledge;
- Proven experience in the use of "BAC mutagenesis" for the manipulation of viral genomes.
- Knowledge of molecular and basic virology.

Consideration will be given to:

- Scientific publications;
- Documented relevant study and research activities.

Incompatibility

The fellowships within this announcement may not be combined with:

- scholarships and grants awarded for any purpose, except those granted by national and foreign research institutions for the purpose of supplementing, through stays abroad, the specific activity envisaged by the work programme carried out by the holder;
- Research grants (pursuant to art. 22 Law 240/2010, prior to Law of 29 June 2022, no. 79);
- Research contracts (pursuant to art. 22 Law 240/2010);
- Post-doctoral positions (pursuant to art. 22-bis Law 240/2010);
- Research positions (pursuant to art. 22-ter Law 240/2010).

In the case of self-employed, employed or parasubordinate employed, compatibility shall be determined by the Research Project Supervisor.

Via A. Gabelli 63 - 35121 Padova
C.F. 80006480281 - P.IVA 00742430283

Research grants may not be awarded to those who have a relationship of kinship or affinity, up to and including the fourth degree, with tenured teaching staff or researchers belonging to the department proposing the selection, or with the Rector, Director General or members of the University's Board of Directors.

Procedures for submission of application form:

The deadline for submitting the application form is **March 20th, 2026, at 01:00 p.m.**

The application must be filled out using only the form available on the Department of Molecular Medicine webpage at the link <https://www.medicinamolecolare.unipd.it/> under the section "Bandi", and it can be submitted as follows:

1) delivered in person to Segreteria Amministrativa del Dipartimento di Medicina Molecolare, via U. Bassi 58/b, room 42a (3rd floor North Complesso Vallisneri) - 35131 Padova, on the following days: Monday – Friday from 09:00 to 13:00;

2) posted by registered mail with advice of receipt to the following address: Segreteria Amministrativa del Dipartimento di Medicina Molecolare, via U. Bassi 58/b, room 42a (3rd floor North, Complesso Vallisneri) - 35131 Padova. Should the application be sent by registered letter, the postmark will not be accepted as evidence of meeting the application deadline. The date of receipt will be considered. Therefore, the application must reach the office before the deadline of this selection announcement.

3) sent by certified e-mail (PEC) to dipartimento.medicinamolecolare@pec.unipd.it

The envelope or subject heading of the email must indicate the following: "Selection Announcement for the Awarding of Research Fellowship -" *insert the title of the research fellowship and the name of the Research Project Supervisor*" at the Department of Molecular Medicine.

The application must include:

- a) a dated and signed Europass CV, available at the links indicated on the selection announcement;
- b) a photocopy of a valid identity document (Identity Card or Passport);
- c) any other document, qualification or publication useful for the selection process (for instance the copy of the thesis);
- d) the substitutive declaration of certification (made in order to declare the conformity of a

document to the original) dated and signed, available on the web page of the Department <https://www.medicinamolecolare.unipd.it/> under the section "Bandi" referring to the specific call.

Selection procedure

Candidates' applications shall be evaluated by a Selection Committee that will be nominated in accordance with the "Regulations Governing Research Fellowships," on the basis of their qualifications and interview.

Prior to assessing candidates, the Selection Committee shall establish the maximum score, criteria and the procedure to be used in evaluating qualifications, any minimum score for admission to the interview, the methods and criteria for the interview. The Selection Committee will also eventually decide on the minimum overall score for inclusion in the ranking.

If the Selection Committee considers the qualifications as sufficient to evaluate the candidates' eligibility, it can decide not to hold interviews.

The interview is only in-person, and it is scheduled for March 24th, 2026, at 09:30 a.m (Italian time) at the Aula di Microbiologia, on the ground floor of the Molecular Medicine Department, Via A. Gabelli 63, 35121 – Padova.

Candidates who do not show up for the interview for any reason whatsoever shall be excluded from selection.

Any changes will be communicated via email to applicants to the email address provided in the application.

At the end of the selection process, the Selection Committee shall send the report to the Head of the Department for approval.

After verifying the legality of the deeds, the Head of Department shall approve by decree the ranking order and the awarding of the research fellowship.

The administrative office of the Department that issued the selection announcement shall notify the successful candidate.

The winner must accept the award within ten days of notification. Otherwise, the winner shall forfeit the right to the research fellowship. In case of renunciation, the fellowship will be awarded to the next eligible candidate, according to the ranking order.

Via A. Gabelli 63 - 35121 Padova
C.F. 80006480281 - P.IVA 00742430283

The ranking order will be published on the Department's web page at the following address <https://www.medicinamolecolare.unipd.it/> and on the University's website.

Return of Documents and Publications

Any documents and publications sent to the University can be returned at the applicant's expense after two months from the completion of the selection process, subject to any ongoing litigation.

Processing of personal data

The processing of personal data provided by the candidates will be done in accordance with the provisions of EU Regulation 27.04.2016 no. 679 (General Data Protection Regulation - GDPR).

Competitors' personal data will be processed, in paper or computer form, for the purposes of this procedure and the possible award of the grant.

The provision and collection of data are mandatory for the purposes of participation in the selection process and, if sensitive data are involved, they are carried out in accordance with Law 68/1999 and Law 104/1992.

The full information on the processing of personal data is available at the following link: <http://www.unipd.it/privacy>.

The person responsible for administrative proceedings

In accordance with Art. 5 of Law no. 241 dated 7 August 1990, the person responsible for the selection process (RPA) is Sig. Vincenzo Falconetti, e-mail: direzione.medicinamolecolare@unipd.it- Tel. n. 049 8276719. For any clarification or information regarding the call, write to the following email address: direzione.medicinamolecolare@unipd.it.

Final provisions

For anything not specified in this selection announcement, see the University of Padova's current regulations regarding the awarding for research fellowships.
